

ANDY HUNT : DESIGN & ILLUSTRATION FOR WEB AND PRINT

My Goal: To put my passion for visual arts to good use, integrating myself within a top notch company and creating art and design that is both personally fulfilling & pat-on-the-back worthy.

Experience:

Senior Web Designer-

PHE Inc, Hillsborough NC Jan 2008 - Present

Overview: As a web designer for PHE Inc, I have experienced every aspect of corporate e-commerce design, from creating email advertisements and affiliate graphics to utilizing CSS & XHTML to redesign a popular online retail site to fit with current Web 2.0 standards.

Designer-

**the Cranky Creative Group
Durham NC 2007 - 2008**

Overview: As a designer for the Cranky Creative Group, responsibilities included creating designs for signage, vehicle wraps, and murals, as well as spearheading a complete overhaul of the company's branding, including redesigning the website, media kit, and all internal promotional materials. I also worked as lead designer on large scale projects for clients such as the Pepsi Cola Bottling Company and the USS North Carolina Battleship Museum.

VP, e-Business & Graphic Design-

Take Warning Radio dot com 2006 - 2009

Overview: Responsible for creating the entire look and feel of the company, most importantly the website which features an interactive flash interface & multiple flash-based streaming webcasts, a multitude of logo designs for every webcast channel, and illustrations of each DJ's online alter-ego.

Director of Web Media-

**Ardley Hall Inc. Furniture Importers
High Point NC 2005 - 2009**

Overview: Design & Maintenance of www.ArdleyHallInc.net (including a complete flash-based showroom of their furniture), digital studio photography, digital masking of furniture images for catalog usage.

Assistant General Manager-

**Fire & Sticks Japanese Steakhouse & Sushi Bar
High Point NC 2005 - 2007**

Overview: Responsibilities as the Front of the House manager included keeping inventory and placing orders for all bar-related items, creating all employee schedules, interviewing and hiring new employees, and seeing to the overall day to day needs of the restaurant. I also designed the graphics for the dinner menu and assorted in-house signage.

Graphics Department Intern-

ABC News Headquarters, New York NY Summer 2004

Overview: Projects included (but not limited to): Logo design for 20/20, Primetime Live, ABC News NOW, the View; 3D modeling and animation in MAYA; Editing and updates on ABCNews.com; Personal photoshop work for Peter Jennings.

Art Director-

WASU 90.5 fm, Boone NC 2001-2004

Overview: Flash based website design, ads for local businesses, as well as creation of the radio station's logo, t-shirts, stickers, and flyers.

Digital Imaging Instructor-

**Upward Bound learning program, ASU, Boone NC
Summer 2003**

Overview: Instructed under-privileged high school students in a range of basic to advanced photoshop techniques.

Education:

BFA in Graphic Design, Appalachian State University
Boone, NC, Class of 2004

Abilities:

Print:

Illustration for all media using traditional and digital processes. Branding & Corporate Identity. Layout for book, periodical, CD, brochure, catalog, business materials, etc. Information Graphics. Design for vinyl media advertising including vehicle wraps, laptop skins, murals, etc.

Digital:

Website conceptualization, organization, design, construction, implementation and maintenance. Creating websites that fit any standards and suit any needs. Illustration in Illustrator, Photoshop, and Painter. Digital graphics optimization. 3D modeling and animation in MAYA and SketchUp. Interactive/interface design for CD-Rom and Presentation. Flash animation and interactive design.

Endorsements:

"Andy is one of the most talented and reliable people I have ever worked with. He is one of those rare talents who is a jack of all trades and a master of them as well!" August 17, 2004

Hal X. Aronow-Theil, Director of Broadcast Graphics at ABC News, NY

"In my dozen years+ of professional experience in a variety of InfoTech roles, only rarely have I come across those of Andy Hunt's caliber; his innate talent, keen intelligence, and easy-going demeanor make him a worthy addition to any team." September 8, 2006

Jason Berry, Oracle DBA IV at NCEP/NOAA, NOAA

"Andy is an amazingly creative individual who can visually express any idea/concept that you might have floating in your head. He is one of the most intelligent and clever people I have ever met, and I proudly give him a ringing endorsement." April 25, 2006

Ross Herosian, Internship Director at Sirius XM Satellite Radio and owner of Take Warning Radio
